

The screenshot shows the 'OIL FILTER' application window. The background is light blue. The title 'OIL FILTER' is centered at the top in a bold, black, serif font. Below the title, there are five input fields with labels to their left: 'ID:' with the value '1718921567', 'WEIGHT:' with '9,88', 'MARK:' with 'kinhston', 'TYPE:' with 'Truck', and 'MAKER:' with 'Ametek'. To the right of the 'ID' and 'WEIGHT' fields are yellow buttons labeled 'ADD' and 'FIND' respectively. Below the 'MAKER' field is a larger white text area labeled 'coments:'. A white message dialog box is overlaid on the center of the screen. It has a title bar 'Message' with a close button (X). The dialog contains a blue circular icon with a white 'i' (information) and the text 'to put decimals put dot and not comma'. An 'OK' button is at the bottom right of the dialog.

OIL FILTER

ID: 1718921567 ADD
